

REMARKS

Claims 1-20 are pending in the application and claims 12-20 stand rejected.

Applicants thank the Examiner for considering the reference cited with the Information Disclosure Statement filed December 15, 2009.

Allowable Subject Matter

The subject matter of claims 1-11 is deemed allowable.

Claim Objections

Claims 1, 12, 15, 16 and 18 are objected to for various informalities.

Applicants have amended these claims in accord with the Examiner's suggestions. Thus, Applicants respectfully request that the Examiner withdraw these objections.

Claim Rejections - 35 U.S.C. § 112, Second Paragraph

Claims 12-20 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite.

Specifically, the Examiner contends that claim 12 is indefinite due the recitation "a runway which guides the mobile device in a predetermined path." Claims 13-20 are rejected based on their dependency from claim 12.

In response, Applicants have amended claim 12 to clarify this recitation based on the Examiner's suggestion on page 3 of the Office Action. Specifically, claim 12 has been amended to recite a guide portion for moving the mobile device along a runaway in a predetermined patch.

Thus, Applicants request that the Examiner withdraw this rejection of claim 12, and thus, the rejection of claims 13-20 for this reason.

Conclusion

In view of the above, reconsideration and allowance of this application are now believed to be in order, and such actions are hereby solicited. If any points remain in issue which the

Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly requested to contact the undersigned at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,

/David P. Emery/
